SADIQ EGERTON COLLEGE

- Bachelor of Computer Science
- GPA: 3.2 / 4.0

2018 - 2020

GOVT GRADUATE COLLEGE

- Intermediate in Computer Science
- Marks :668/1100

SKILLS

- Frontend Frameworks: Next.js, React.js, React Native
- Animation Libraries: Framer Motion
- API Integration: REST APIs, GraphQL
- Version Control: Git & GitHub
- Styling Tools: Tailwind CSS, Bootstrap
- Development Tools: VS Code, Postman, WebStorm, Cursor AI
- Other Skills: Responsive Design, Component-Based Architecture, Performance Optimization

PROFILE SUMMARY

Passionate and detail-oriented Front-End Developer with expertise in Next.js, React.js, and React Native, specializing in building responsive, user-friendly web and mobile applications. Skilled in implementing smooth animations using Framer Motion and integrating REST APIs and GraphQL for dynamic data handling. Proficient in Git for version control and collaborative development. Known for delivering optimized, maintainable code and creating seamless user experiences through modern frameworks and design principles. Always eager to learn new technologies and enhance project performance.

WORK EXPERIENCE

Code Cradle Technologies   2024 - PRESENT

Frontend Developer

- Developed and maintained responsive web applications using Next.js, React.js, and React Native, improving site performance and user engagement.
- Implemented smooth and dynamic animations with Framer Motion, enhancing the user experience and interface interactivity.
- Integrated REST APIs and GraphQL for seamless data flow, improving application efficiency and responsiveness.

Freelancing   2023 - 2024

Frontend Developer

- Designed and developed React projects using Bootstrap, delivering responsive and user-friendly interfaces for clients.
- Built and optimized reusable React components to improve development efficiency and maintainability.
- Collaborated with clients to understand project requirements, delivering customized solutions that enhanced user engagement.
